Infection control Skill Set (Retail)

HLTSS00065

FULLY SUBSIDISED PROGRAM*

UPSKILL YOUR TEAM TO MANAGE AND RESPOND TO INFECTION RISKS

1

IDENTIFY AND MANAGE HAZARDS AND RISKS

With the assistance of this accredited Skill Set, you and your staff will be aware of what precautions to take, and how to identify and manage hazards and risk.

2

SET YOUR CUSTOMERS MIND AT EASE

We know customers are mindful of where they shop - so by gaining this nationally recognised Statement of Attainment you can show your business is well and truly COVIDSafe.

3

SELF-PACED AND SELF-MANAGED

No need to set specific time aside to gain this training - simply log into our 24/7 access eLearn platform when you have time and work through this simple three-hour course.

4

FREE FOR QUEENSLAND RESIDENTS*

This training is subsidised by the Queensland Government, meaning you can sign up as many staff members as you'd like without worrying about fees.

Enrol now 

Call 1800 732 066, visit nra.net.au
or email training@nra.net.au

Resources and requirements

Enrolled students will need to be able to record and upload videos showing practical components of the assessment. Students will need access to a computer or POS terminal, eftpos terminal, or similar electronic device used in a retail setting.
